Terms & Conditions:

1. The Contract contemplates that the instruments are in working condition at the time of entering the contract. If not, the instruments will be repaired on chargeable basis before service contract can be agreed upon. The duplicate copy of the contract form should be returned to us as a token of acceptance..
2. The contract's scope is preventive maintenance, which includes performance check and adjustments, cleaning, lubricating, etc as per applicable protocols, wherever necessary and advice about best use and preservation.
3. The services to be rendered do not cover repair because of accidents due to fire, water, voltage fluctuations, electrical short circuits, abuse, misuse, fall, shop repairs, natural calamities or any other external cause.
4. If the visits exceed the approved number as per contract, then the extra visits will be charged on per call basis with applicable rates.
5. Components requiring replacements as recommended proactively by us from time to time , customer need to procure Shimadzu spare parts from Spincotech Pvt Ltd at their cost and made available to the Engineer at the time of necessity, so that the equipments will not be idle any time for lack of spare parts. The entire responsibility of procuring such components lies with the customer, although we will be assisting wherever possible.
6. On completion of the servicing, the customer should sign the certificate produced by the Service Engineer on the same day. Undue delays without valid reason will be treated as additional call visit of contract.
7. If during the process of attending the instruments, Chemicals, Power supply, water supply, gas supply or any other utilities that are needed for the operation of the instruments are not available, Engineer will stay for a maximum of one day for its resumption and every additional day of stay required will be chargeable as per applicable call rates.
8. Service Contract visit will be undertaken with prior intimation. The customers are requested to inform immediately about their convenience. Customer needs to ensure the equipment is made Immediately available upon arrival of engineer onsite.
9. The purview of this 'Labour Only' contract does not include any instrument calibrations, re-validations, shifting, etc which will be charged extra as applicable separately.
10. "In case there is any change in law/rate of tax, taxes as applicable on the date of raising an invoice/undertaking the activity, as relevant, shall be applied and recovered from the customer."
11. Please follow the Service Contract Number for any correspondence.
12. SPINCOTECH PVT LTD. cannot be held responsible if the instruments are lying idle for want of spare parts.
13. In case of any disputes arising out of this contract Chennai will be the jurisdiction of all dealings.
14. Spincotech Pvt Ltd is Shimadzu's only authorized dealer in India to supply the spare parts. Spincotech engineers shall repair parts which are procured only from us.
15. Service Category: Maintenance or Repair Service Covered Under Sec 194 C of the Income Tax Act 1961 Circular No.715/08.08.1995. Hence only 2% TDS is applicable.
16. Maintenance of TMP & Rotory Pump Will not be Covered in AMC for GCMS & LCMS Systems.
17. Service will be rendered upon realization of payment.

Note : This is an electronically generated quote and hence signature is not required.
